EMBASSY OF PERU IN CANADA

BANK ACCOUNT FOR DONATIONS

The Embassy of Peru in Canada would like to thank the recent expressions of support and solidarity received from Peruvian and Canadian citizens regarding the difficult situation experienced by thousands of Peruvians affected by the severe downpours, mudslides and overflowing rivers which have caused the loss of human lives, isolation of entire towns, closure of important highways and destruction of crops, necessary for the survival of Peruvian peoples.

The Peruvian government has developed major efforts to relief the unfortunate situation of our countrymen. In this regard, the Peruvian Ministry of Foreign Affairs has instructed all our Embassies and Consulates from around the world to coordinate and concentrate all donations made for the affected population. Due to logistical reasons, it has been recommended to make only monetary donations.

For this purpose, the Embassy of Peru in Canada has opened the following bank account for all those wishing to contribute:

BANK: ROYAL BANK OF CANADA (RBC)
ACCOUNT NAME EMBASSY OF PERU TO CANADA – DISASTER RELIEF FUND
2017
ACCOUNT NUMBER: 00006 1049964

The total amount that can be raised in this bank account will be transferred to Instituto Nacional de Defensa Civil (INDECI), a Peruvian government institution in charge of coordinate and manage all measures necessary to confront any kind of disasters.

The Embassy of Peru wishes to reiterate its profound gratitude for all the expressions of generosity made by the Peruvian and Canadian community in these difficult times.
